LACAA Golf Team

**Front Row: Sandy Stipe, Aubrey Aumann, & Andy Wilson
Back Row: Aaron Aumann, Rick Roesch, Joe Chidley, & Doug Cain**

Unfortunately due to the recent storms the golf course on Catalina was severely damaged & we were unable to play our scheduled rounds. We were able to take on the miniature golf course (no chipping allowed?)

Best Score on the Golf Course! Good going Rick!

Best Score award was presented to Rick Roesch and the most improved award was presented to Sandy Stipe.

Doug Cain presents Sandy with her award & green mulligan ball.

Our last night banquet held outside on the terrace of the beach house (located at the Hotel Metropole).

What a beautiful evening to end our stay in Catalina.
